## **World AIDS Day 2014 Forum**

**Getting to Zero – We all have a role to play in ending HIV transmission**

This event will provide a snapshot of HIV statistics in South Australia, two HIV-positive speakers will explore what it is like to live with the virus in 2014, and participants will also have the opportunity to explore what role we can all play in 'Getting to Zero' for World AIDS Day and beyond.

We invite workers and volunteers in organisations across the health and community services sector in South Australia. Participants can also enjoy the opportunity to network and indulge in a delicious afternoon tea.

**When:** Wednesday 3 December, 3–4.30 pm (doors open at 2.45pm)

**Where:** Way Hall, 1st floor, 10 Pitt Street, Adelaide
