## PORN LITERACY: RAISING SEXUALLY INTELLIGENT YOUNG PEOPLE

In the words of Dr Marty Klein, Licensed Sex Therapist, Writer and Speaker:

*In addition to death and taxes, there are two other things we can be sure of:*

- > *The internet is here to stay.*
- > *Pornography is here to stay.*

With that in mind, join us as we discuss the need to equip our young people with the essential skills and strategies to critique, understand and de-code what they see (be it accidental or purposeful viewing).

The session includes discussion time and practical tips.
