

PURRUNA MIYURNA

Healthy People

15-16 JUNE 2017

Presented by SHINE SA's Yarning On program, Purruna Miyurna is a 2-day health summit for ATSI students in years 9-12 in high schools and education programs within southern Adelaide. This interactive and hands-on summit will cover:

- Respectful relationships
- Domestic violence
- Sexual health
- Self-worth and cultural identity

The objective of the summit is to provide an opportunity for our students to gain information and understanding on the topic of "Healthy Relationships", what a healthy relationship looks like, feels like and sounds like.

The summit will be culturally safe and LGBTIQ inclusive.

Our aim is to start a conversation among our young people, educate and share information in order to break down barriers and challenge the perceived stereotypes/ideas of Aboriginal people in relationships.

COST

\$50 per student

Cost includes a summit shirt, catering and an information bag

VENUE

Hopgood Theatre

Ramsay Place, Noarlunga Centre
