

# **DOMESTIC & FAMILY VIOLENCE: STRANGULATION AWARENESS**

Tuesday 31st October 2019

1:00 pm - 4:00 pm

Location advised on registration (Mile End area)

Cost: \$90\*\*

**Domestic and Family Violence: Strangulation Awareness** is a specialised course in understanding and responding to this key high risk factor. The latest research will be presented as well as a practice framework for responding to disclosures.

## **LEARNING OUTCOMES**

- ✓ Understand the signs and symptoms of strangulation
- ✓ Understand the physiological consequences of strangulation
- ✓ Identify factors that indicate risk of serious harm or death in D&FV
- ✓ Respond to disclosures of strangulation from risk and safety response model
