FORUM & PODCAST LAUNCH

Monday 2 December 2019

6.30 pm - 57 Hyde Street Adelaide

RSVP to Events@samesh.org.au

Join our panel of researchers, health care workers, community members and psychologists as they delve into the issues of crystal use among gay men and men who have sex with men.

Following the Crystal Pleasures study into methamphetamine use in gay men and men who have sex with men CSRH has produced a series of podcasts discussing this issue at length from a variety of viewpoints, including interviews with people who use crystal, and health care professionals who work in these communities.
